EXPERIENCE

TrailRunner International **New York, NY**
Analyst Intern **Sep. 2026 – Dec. 2026**

Global strategy and communications firm serving leading corporate, financial, entertainment, and sports organizations

- Synthesized market and audience research into client-facing materials used in leadership discussions with an NFL organization, while supporting strategic communications for Fortune 500 financial services and global music and entertainment clients

FamilySearch **Lehi, UT**
Product Manager Intern **Jun. 2026 – Sep. 2026**

The world's largest genealogy organization, with 22B+ historical records and 297M annual site visits across 100+ countries

- Rerouted new-user confirmation emails directly to the guided tree builder, increasing ancestor additions from 21% to 35% across 27K+ daily users (a 66% increase)
- Discovered via Adobe Analytics that 59% of 820K monthly visitors added zero ancestors; authored PRDs to eliminate drop-off and incentivize tree setup
- Ran an A/B test on the guided tree builder experience, simplifying the interface to increase names added by 7%

BYU Music Group **Provo, UT**
Product and Strategy Manager **Feb. 2024 – Jun. 2026**

BYU's record label and media studio for internationally recognized globally touring artists

- Grew total song streams 25% using Spotify for Artists data and pitching strategies, increasing playlist submissions 70%
- Built a centralized asset database and project tracker, cutting search time by 50% and boosting release throughput by 20% across 80+ launches

Zark Parking Solutions **Provo, UT**
Product Manager Intern **Jan. 2026 – Apr. 2026**

SaaS platform for multifamily parking management

- Engineered an AI-assisted PRD and user-story workflow in Claude, cutting draft time by 40% and increasing sprint completion by 15%
- Synthesized 150+ customer reviews and 4 SaaS competitors to establish a product roadmap with 15+ UX enhancements

MOTYV8 **Provo, UT**
Product Manager Intern **Apr. 2025 – Aug. 2025**

Habit-building app for student athletes

- Conducted product discovery with coaches and athletes, translating feedback into wireframes and user stories that drove adoption across 6 athletic programs (160+ athletes)
- Redesigned user flows in Figma, cutting clicks to core content by 60% and lifting task completion by 10%

LEADERSHIP & SERVICE

BYU Young Ambassadors **Provo, UT**
President **Jul. 2023 – Jul. 2025**

- Led a 20-member ensemble through 50+ U.S., Brazil, and China events, reaching 2.5M+ and lifting social following 70%

The Church of Jesus Christ of Latter-day Saints **Santiago, Chile**
Volunteer Team Lead and Trainer **Jun. 2021 – May 2023**

- Coached 30 representatives to 100% monthly conversion through 1:1 development and KPI tracking

SKILLS & INTERESTS

- **Skills**: SQL, Python, Tableau, Adobe Analytics, Figma, Jira, Excel, Claude, Mendix, Spanish (fluent)
- **Projects**: Engineered an end-to-end automated e-commerce tool using Python and OpenAI APIs to scrape market trends, adjust dynamic pricing, and publish product listings
- **Interests**: Mountaineering, competitive swimming, NBA, musical theater performance, "Harry Potter Scene It?" 50+ game win streak
