EDUCATION

Brigham Young University – Marriott School of Business **Provo, UT**
Bachelor of Science in Strategic Management, Product Management Emphasis, GPA 3.87 **Apr. 2027**

- *Honors*: Brigham Young Academic Scholarship; BYU Marriott School Dean's List
- *Relevant coursework*: End-to-end product building; AI training and application; Analytics projects using SQL and Python

EXPERIENCE

TrailRunner International **New York, NY**
Analyst Intern **Sep. 2026 – Dec. 2026**

Global strategy and communications firm serving leading corporate, financial, entertainment, and sports organizations

- Delivered 50+ briefs, media lists, and results reports since Sep, including daily briefs for a Fortune 500 financial client; synthesized market research for finance, music, entertainment, and NFL clients

FamilySearch **Lehi, UT**
Product Manager Intern **Jun. 2026 – Sep. 2026**

The world's largest genealogy organization, with 22B+ historical records and 297M annual site visits across 100+ countries

- Increased family name-adds among confirmation-email clickers from 21% to 35% (67% increase) by routing new-user emails straight into the guided tree builder instead of the main site page
- Discovered via Adobe Analytics that 59% of 820K monthly visitors added zero ancestors; authored PRDs to eliminate drop-off and incentivize tree setup
- Ran an A/B test on the guided tree builder experience, simplifying the interface to increase names added by 7%

BYU Music Group **Provo, UT**
Product and Strategy Manager **Feb. 2024 – Jun. 2026**

BYU's record label and media studio for internationally recognized globally touring artists

- Grew total song streams 25% using Spotify for Artists data and pitching strategies, increasing playlist submissions 70%
- Built a centralized asset database and project tracker, cutting search time by 50% and boosting release throughput by 20% across 80+ launches
- Led BYUMG's AI strategy by analyzing AI-generated music's risk to royalty revenue and presenting recommendations to the executive director, which were used in discussions with label partners

Zark Parking Solutions **Provo, UT**
Product Manager Intern **Jan. 2026 – Apr. 2026**

SaaS platform for multifamily parking management

- Built an AI-assisted PRD and user-story template in Claude, cutting draft time by 40%
- Built a 15+ item UX roadmap for the CPO by synthesizing 150+ customer reviews and 4 SaaS competitors

MOTYV8 **Provo, UT**
Product Manager Intern **Apr. 2025 – Aug. 2025**

Habit-building app for student athletes

- Launched a journal feature adopted across 6 programs (160+ athletes) by running discovery with coaches and athletes, where simplicity and accountability came up as top themes
- Cut clicks to core content 60% and lifted task completion 10% by redesigning user flows in Figma

LEADERSHIP & SERVICE

BYU Young Ambassadors **Provo, UT**
President **Jul. 2023 – Jul. 2025**

- Led a 20-member ensemble through 50+ U.S., Brazil, and China events, reaching 2.5M+ and lifting social following 70%

The Church of Jesus Christ of Latter-day Saints **Santiago, Chile**
Volunteer Team Lead and Trainer **Jun. 2021 – May 2023**

- Trained 240+ representatives and developed team leads into stronger leaders through 1:1 coaching, process improvements, and mentoring

SKILLS, PROJECTS & INTERESTS

- **Skills**: SQL, Python, Tableau, Adobe Analytics, Figma, Jira, Excel, Claude, Mendix, Spanish (fluent)
- **Projects**: Built and ran an Etsy and Printify store using AI agents for strategy, marketing, finance, and design; grew Pinterest from 0 to ~30K monthly visits in 2.5 months; made first sales on day of launch
- **Interests**: Mountaineering, competitive swimming, NBA, musical theater, "Harry Potter Scene It?" 50+ game win streak
